50PACK | KIDS 3-PLY DISPOSABLE FACE MASK NONWOVEN MELTBLOWN - BLACK SOLID

The unisex solid black 3-ply kids face mask is designed with a middle melt-blown layer for extra protection. This middle layer is critical as a filter to contain droplets by electrostatically adsorbing them on the surface. Hence, droplets cannot infiltrate the mask. The inner layer absorbs water, sweat, and spit and keeps the moisture off of the face.

The 3-layer filter doesn't block breathability, but it does help block pollen, dust, droplets, and debris. These children-sized masks are perfect for use indoors and outdoors even while playing. This is a single-use item; do not reuse the mask. Masks are not intended to be used as a toy....
